

## **The Seneca Falls Dialogues Journal: 2018 Call for Submissions**

*The Seneca Falls Dialogues Journal* is a multidisciplinary, peer-reviewed, online journal that grows out of the Biennial Seneca Falls Dialogues.

**Aim and Scope:** The goal of *The Seneca Falls Dialogues Journal* is to extend the dialogues beyond the conference weekend in order to reach a broader audience and to invite more voices into the conversation. We recognize the importance of creatively engaging diverse tools for feminist activism, particularly those that support dialogues across difference. Our hope for this publication is to build a collaborative, open-access forum for students, faculty, and the community on topics relating to the themes of the Biennial Seneca Fall Dialogues conference. Submissions will contribute to the Seneca Falls Dialogues commitment to promote leadership, development, nonviolent activism, and the ideals set forth in the 1848 Declaration of Sentiments and the 1948 Declaration of Human Rights. The Seneca Falls Dialogues Journal seeks to honor the work of those who came before us as we build an accessible and inclusive publication in the continued pursuit of equality.

**Submission Guidelines:** Using the 2018 SFD theme, “**Race and Intersecting Feminist Futures**,” we invite participants to submit essay versions of their dialogues or posters for publication consideration. We encourage student essays, co-authored material, and creative works including visual and electronic media. Manuscripts should follow MLA (8th edition) specifications and should not exceed 6,000 words.

### **Submission Deadline: January 14, 2019**

Each submission is to include the following contact information: name(s), institution(s), telephone number(s), and email address(es) for all authors, and work address for the corresponding author. Submissions should be uploaded to: <http://digitalcommons.brockport.edu/sfd/policies.html>

**Submission Policies:** Submitted essays cannot have been previously published nor be forthcoming in an archival journal or book (print or electronic). By submitting material to *The Seneca Falls Dialogues Journal*, authors stipulate that the material is not currently under review at another journal and that they will not submit the material to another journal until the completion of the editorial decision process. You may contact [blesavoy@brockport.edu](mailto:blesavoy@brockport.edu) if you have questions or concerns. Final formatting requirements will be communicated to authors whose work is accepted for publication.
